Ms. Sandy Fowler, Director, Hampton County Economic Development Commission, came before council and asked for approval of the \$349, 865 South Carolina Rural Infrastructure Authority Grant to provide water and part of sewer service to the SouthernCarolina Industrial Campus (SCIC). Council Member Hollingsworth questioned the funding to finish the remainder of the project. Ms. Fowler explained that the reason for only doing part of the sewer was to run the pipes under the railroad while the water was being installed and the remainder of the project could be completed by just attaching to the pipes installed when the funding was secured. Council Member Hollingsworth inquired regarding the remaining funds to complete the project; Ms. Fowler reported that they were applying for additional funding but the funding was not finite. **Moved** by Council Member Haulsee, seconded by Council Member Hollingsworth, to accept and approve a \$349,865 (Three hundred forty-nine thousand, eight hundred sixty-five dollars) South Carolina Rural Infrastructure Authority Grant to provide water and part of the sewer service to the SouthernCarolina Industrial Regional Park.
