He stated that the agreement spells it out. Sheriff Smalls reported that the Hampton County Sheriff's department along with the municipalities will put their resources together and implement a task force to investigate and narcotics cases. He explained that this is the same agreement that he has with Spartanburg, etc. Sheriff Smalls stated that this agreement has been tried and tested in court. He stated that folks have been taken to court and the provisions of the agreement regarding the arrest have been held up in court. He stated that it has been reviewed by the Solicitor's Office, Duffie Stone, Solicitor, and Stan Thornton, for the Fourteenth Judicial Circuit supports the agreement. Sheriff Smalls stated that the Mutual Aid Agreement provides for the special condition, every agency pays their people. He explained that the Task Force will have jurisdiction in all the municipalities. He stated when the task force is in operation, someone from the Sheriff's office will be present. The Task Force will be operating as one unit. Chairman Williams stated that he served on the South Carolina Association of Counties (SCAC) Public Safety, Corrections and Judicial Policy Steering Committee. He stated that he attended a meeting/workshop earlier this month and mutual aid agreements were discussed. Council decided to take action on the resolution and as a precaution give first reading to the ordinance. The County Attorney will research the matter. **Moved** by Council Member Phillips, seconded by Vice Chairman Hollingsworth, to adopt the Resolution Regarding a Mutual Aid Agreement Between the Municipalities in Hampton County and the Hampton County Sheriff's Department and also give first reading by title only to the Ordinance Regarding a Mutual Aid Agreement Between the Municipalities in Hampton County and the Hampton County Sheriff's Department.
