library and programs and services available at the library.

**MRS. MARY DUNCAN REGARDING BIG MAMA'S ROAD:**

Mrs. Duncan came before council to ask what the next step was to get Big Mama's Road condemned to finish paving it. Chairman Gray stated that the first step is to talk to the Viola's. He stated that Council has not discussed a next step. Mrs. Duncan stated that her next step is to draft letters to the congressmen and senators. Mrs. Duncan thanked council.

**UPDATE ON THE CAPITAL PROJECT SALES TAX PROJECTS BY THE CONSTRUCTION MANAGER AND ARCHITECT:**

Mr. Jay White, Architect, Liollo Architects, came before council to give an update and also to state that Mr. Gregg Brunson, Construction Manager at Risk was not present, because he had an unexpected family matter. Mr. White came before council to state that the high priority repairs would be moved up like the Detention Center Roof and the Administration Center. He reported that these projects are tracking together for bid savings; the schematic designs are completed and got feedback details, and fees paid, etc. Council Member Hollingsworth asked if the roof at the Detention Center included the ceiling, Mr. White stated that he believed that it did. Council thanked Mr. White for his report.

**REV. NEIL SULLIVAN, REGARDING BOARD POLICIES AND PROCEDURES:**

Rev. Neil Sullivan, Citizen from Nixville, came before council regarding board policies and procedures. Rev. Sullivan also requested that council hold a Town Hall meeting - Free for All - Citizens get to engage in conversation with council. (See presentation - Attachment #1)

**MR. TERRY ULMER REGARDING AN UPDATE ON THE MILEY FIRE STATION:**

Mr. Ulmer came before council regarding questions about the Miley Fire Station. Mr. Ulmer reported that they have been promised a Fire Station in Miley nine years ago. It was stated that the fire station would be finished in June, July and now October 2014. He explained that around forty (40) home owners are paying \$1,000 (one thousand dollars) or more on homeowners insurance. Mr. Ulmer on behalf of the citizens wanted to know what the hold up was on the Miley Fire Station. Chairman Gray stated that the county applied for and received a grant and for the USDA Grant, the EPA required an environmental impact study test be conducted to verify that the location was okay to place the fire station. Mrs. Graham, County Administrator, reported that the USDA grant was not awarded but the county had applied. Council Member Hollingsworth stated that the money was allocated in the budget for site prep, construction, etc. He reminded everyone that the Miley Fire Station was approved in 2005. This is nine years and if it is not constructed until 2015, it will be ten years at \$1,000 per family for ten years is \$10,000 more that is being paid by Miley residents for fire insurance. Council Member Hollingsworth stated that 1 mil was put on for site prep and completion of a fire station. Administrator Graham informed council that the mill will not pay for it - will have to finance and do not have a date - do not have a set date given council's direction to discontinue the USDA grant. Council Member Hollingsworth stated that the Fire Chief was very confident to give a date - date given before directions given applied for USDA funds. Administrator Graham stated that she could not come up with a date - do not have one. Council Member Hollingsworth stated that it has gone from 2005 - 2013. Council Member Phillips stated that when you don't have the money, you put the mill on. Council Member Williams asked Administrator Graham to get with the Fire Chief and get a date. He stated that he knows that there was a set back and try to find out a date. Council Member Hollingsworth stated that he hoped that the Miley Fire Station (Sub Station) will be completed. Mr. Ulmer stated that they have been hearing this was the nine years and have lost faith in county government. Council
